Confident

Due to education, experience, and passion, I will qualify to turned the corner and set to work with a nice team!

Motivation

When I was a teen I started the web programming through FrontPage on Win95. After that, I worked on Dreamweaver on Winxp.

Passionate problem solver looking for an opportunity in Rust-Lang and blockchain development to upgrade my career and growth. I am motivated by the desire to solve issues in blockchain infrastructure and dapps using the skills I have acquired during my development journey. My commitment to critical-thinking about my work and doing research and develop gives me an immense set of skill, making it easier for me to deal with your challenges. Programming, smart contracts, and blockchain are somewhat things I am passionate about, and I hope to get to discover more about the Rust-Lang that is related to the DEFAI, META, DAO, IOT, Cloud, Platform Engineer, DevOps, etc.
