Achievements

The inclusion of the "Credits" column as a part of the next page indicates that it was evaluated by me based on degree of difficulty or needing more time. In addition, it is based on parameters like being close to the standard, task assessment, high-tech, paid cost and on-demand niche target markets. So an indication of higher credit and the fact that I have done some important projects that are represented on the website. as a result, indicates I have completed the "achievements" section.

Short Tips

• **Motivation**
